

# Wi-Fi Security Camera Quick Guide

(SKU: IPCAMONVIF)

**Read this quick guide carefully before use, and retain it for future reference.**

# Product Instructions

## Installing a MicroSD Card

The micro SD card slot is located inside the security camera. Please make sure the camera is turned OFF. To access it, you need to remove two screws (Image 1), then insert the MicroSD card into the card slot with its contact points facing downward (Image 2).
